

mountain recreation

Enjoy those things that
will never change...

*the
tradition
is alive*

SKI  GSTAAD

Winter 2000/0

snow sports
still today...

dominate
the space
for mountain
recreation
planning

Children..

Deserve special facilities separated from other traffic.

Example:

Courchevel, F

Exposure to accidents

Korea construction
Summer 2000

Trail offer landscaping opportunity

Japan – downhill golf
Summer 2000

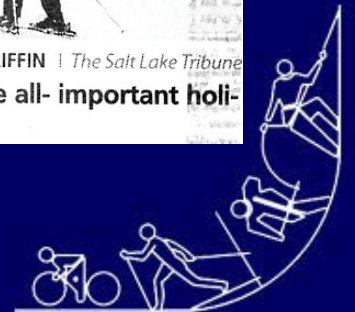

... mixing avilities is a problem

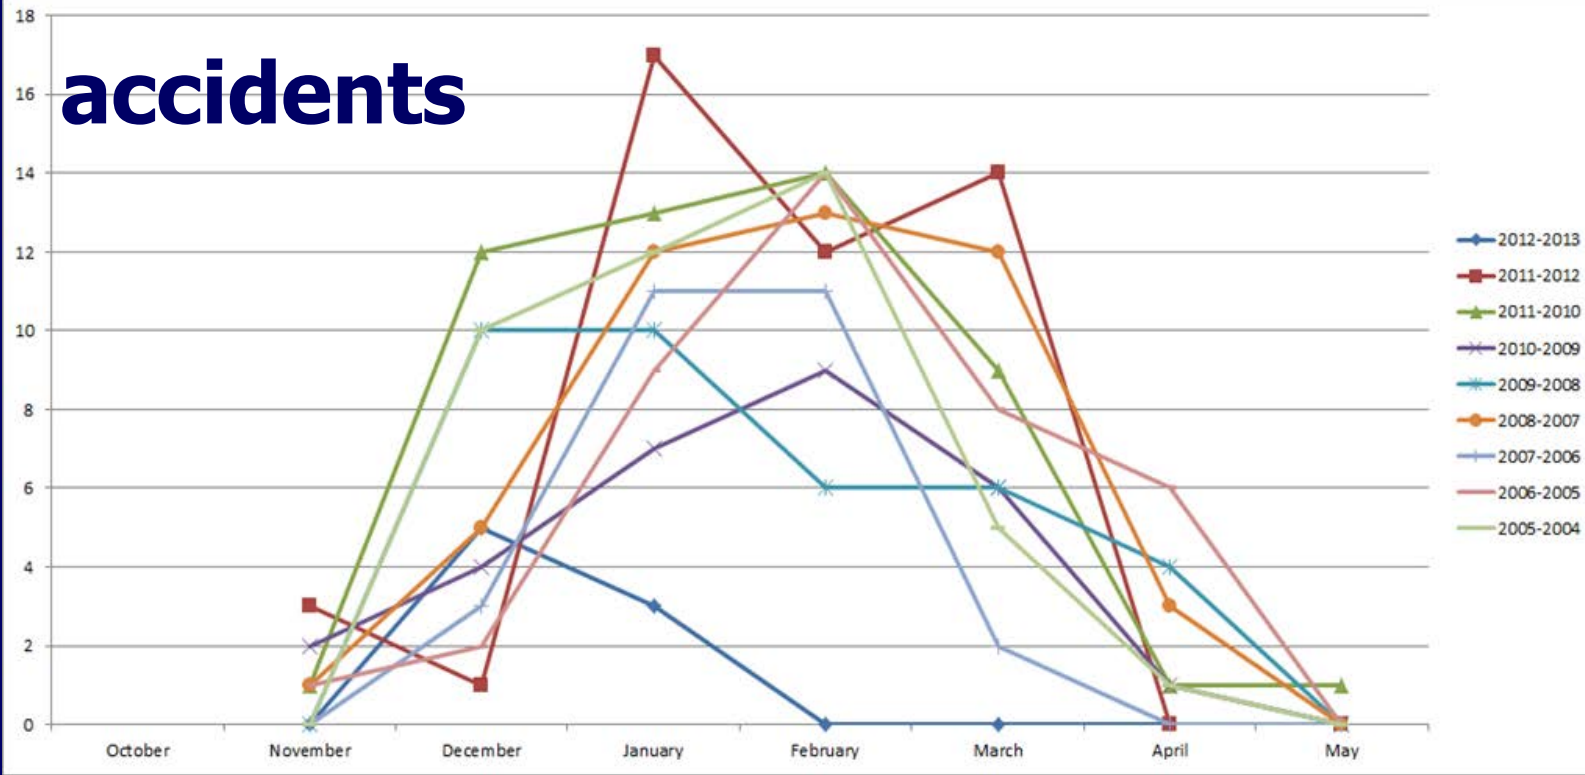

... crowding is a new problem

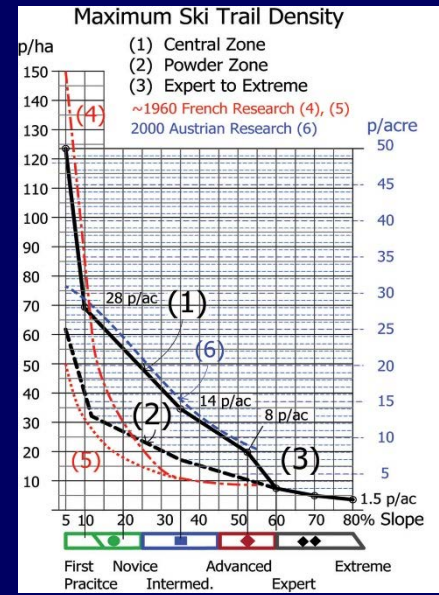

STEVE GRIFFIN | *The Salt Lake Tribune*
A crowd gathers below the Silver Strike Express chair lift at Deer Valley Resort on Friday, nearing the end of the all-important holiday week for Utah's ski industry. There was no shortage of visitors.

accidents

Sun V-Warm Springs, 1992

How to measure trail capacity

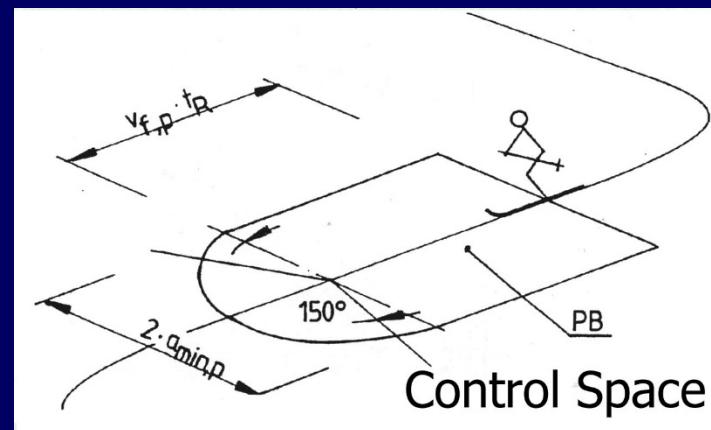

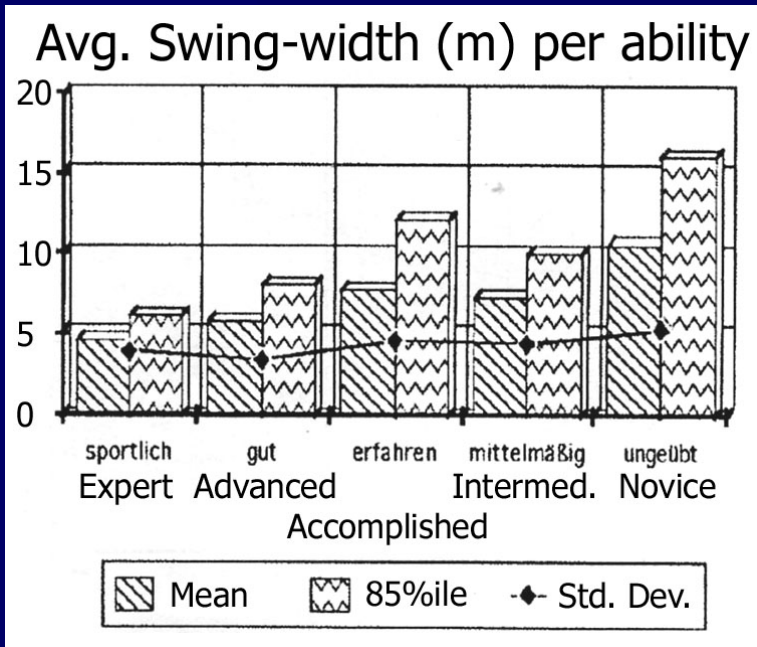

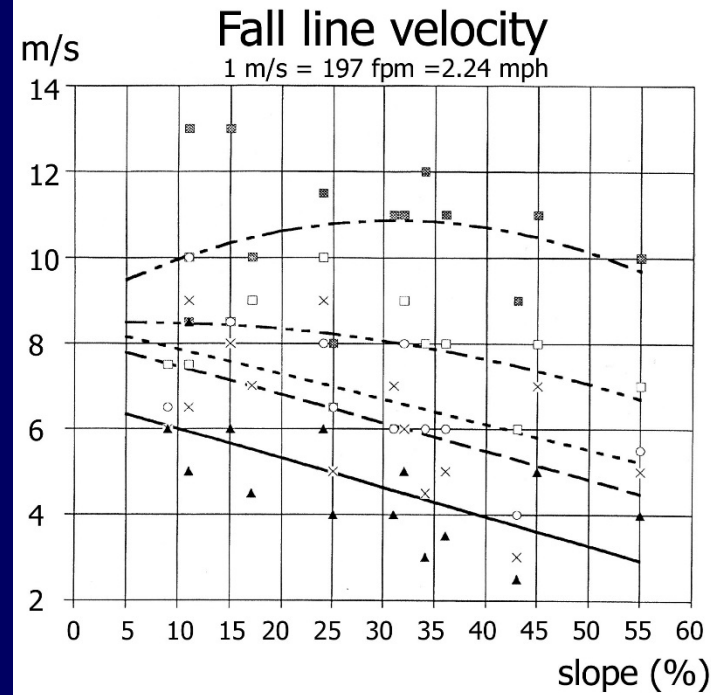

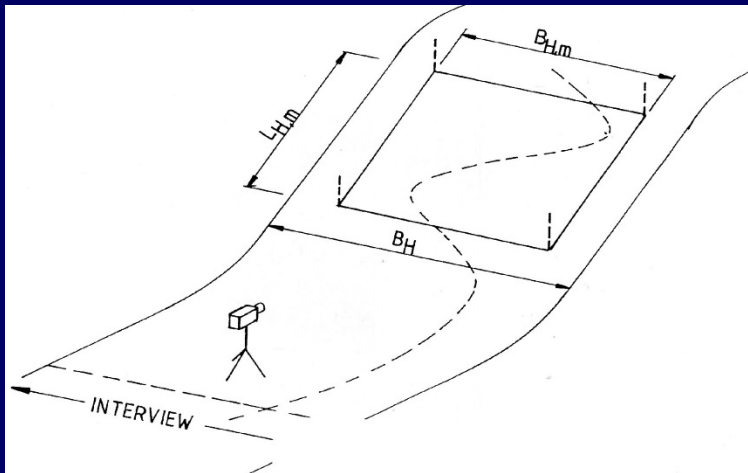

Snowbird Tram Ridge, 1976

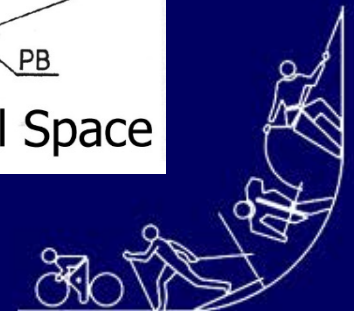

Alpentech, Inc., 2871 S 2870 E, Salt Lake City, UT 84109, USA
